**Re: BINUS SCHOOL Transition to Home Learning**

This update is a continuation from the previous statement released by the BINUS SCHOOL Education Office (Ref. No: 011/BSE/III/2020, dated 11 March 2020, Re: Update Regarding COVID-19). This is in support of previous statements released by BINUS SCHOOL in relation to COVID-19.

1. In view of the developing situation with respect to COVID-19, BINUS SCHOOL will **undertake further precautionary measures** for the safety and well-being of our school community. To date, BINUS SCHOOL does not have any suspected or confirmed cases of COVID-19.
2. BINUS SCHOOL will implement a **home learning programme** for our students according to the following schedule:

16 – 18 March	Students on Leave from School
19 March until end of Term 3	Home Learning Programme

3. The home learning programme is designed to allow students to continue their learning at home. This programme does not replicate face-to-face teaching or learning in a regular classroom. Rather, it modifies the means by which students learn content and skills. **Each BINUS SCHOOL will provide guidelines regarding the home learning programme separately, including contingencies for Grade 12 examinations.**
4. BINUS SCHOOL Education will continue to monitor the situation and provide a further update before the end of the term break.

Thank you for your kind understanding and cooperation as we continue to ensure a safe and healthy learning environment for our school community.

Best Regards,  
BINUS SCHOOL Education
