No. 408/MS-HS PRI/III/2020

Dear BINUSIAN Students and Parents,

Due to the rapid changes brought about by the COVID-19 pandemic, Cambridge Assessment International Education (CAIE) has announced the cancellation of all its international examinations (Cambridge IGCSE, Cambridge O Level, Cambridge International AS & A Level, Cambridge AICE Diploma and Cambridge Pre-U) in the May/June 2020 series in any country. This move was primarily in consideration of the safety and wellbeing of all students and teachers worldwide.

The office of CAIE will update all schools of further guidelines in the coming days on how to assess students' achievements using the best available evidences. The students will receive a grade and a certificate from Cambridge based on the knowledge and skills they have acquired in their programmes of study. This means that the School will continue to provide all necessary learning needed by the students not only to serve as reference for the aforementioned but also to ensure that our students are not in any way disadvantaged due to the current unusual situation.

To reiterate, there will be no international examinations from Cambridge Assessment International Education (CAIE) taking place this coming May and June 2020 for all our BINUSIAN students. Learning will continue to take place as we prepare and wait for further guidance from the CAIE office on how things will be evaluated for our students to receive the necessary grades and certificates.

Note that Cambridge is discussing with universities worldwide to consider these unprecedented circumstances where admission requirements and procedures are concerned to ensure that students are able to continue with their education pathways as smoothly as possible.

At this time, kindly hold onto any questions you may have. The School will release further details once we receive more definitive guidelines from CAIE.

Thank you and we continue to pray for everyone's good health.

Kind regards,
