Dear Middle-High School Parents:

As we continue to work hand in hand with you in educating our students, we would like to take this opportunity to invite you to our second **Parent-Teacher Conference (PTC)** scheduled on the **31st of January 2019**. At this time, we would like to give you an update of your child's progress in school in the last three months. It is also an opportune time for you to share your thoughts on how the school and home can work closer together to ensure a more positive learning environment for your child. It is also an opportunity for us to get to know you better as our partners as well as for you to meet your child's teachers in a more personal manner.

In order for us to meet everyone on a per family basis as well as manage the time better, please be advised of the enclosed schedule. Kindly take note of the time allotment per child and should you require a longer time for discussion with any of the teachers, we request for you to set a follow up session on a different date so that we can attend to everyone on that day.

Thank you for your kind support as we continue to work with you as partners in your child's education.

Sincerely,

Sherrirose J. Gonzales
